

Deluxe Series

Traditional weighted breast forms are ideal for fuller figures, usually following partial to radical surgeries. Available in two styles. The Deluxe Series is made with 100% silicone gel and manufactured using patent-pending process creating an air-tight, leak proof form. Available in Ivory .

ITEM NO. 1858

Symmetrical triangle. Fits shallow to average. Shaped and weighted for a balanced fit in the bra, with molded nipple. Can be worn on the left or right side.

Available in sizes 1-17. Ivory.

ITEM NO. 1870

Symmetrical teardrop. Shaped for Maximum rotation flexibility. With molded nipple. Can be worn on right or left side.

Available in sizes 1-12. Ivory.

ITEM NO. 1856

Shell triangle is designed for complete flexibility, for use as a full-size, partial or enhancing breast form. Ideally suited for augmentation and restoration of the breast contour.

Available in sizes 1- 11.

ITEM NO. 1857

Translucent silicone form adapts to all varieties of skin tones. Its firm symmetrical shape design maintains balance and prevents possible shifting. Ideal for all activities, including water. Unique skin is unaffected by salt water, chlorinated water or saunas. Best used with a properly fitted post-mastectomy swimsuit. Can be used for leisure wear or swimming.

Available in sizes S-M-L-XL-XXL-3XL and 4XL.

lymphadema or osteoporosis. With molded nipple, it can be worn on the left or right side.

Available in sizes 1-17.

ITEM NO. 1854 (as above in tawny)

COMFORT SERIES

The COMFORT Series offers a firm shape and a natural, soft feel. Made with COMFORTABLE fabric backing for superior moisture resistance and increased air flow for extra COMFORT. As are our other forms, the COMFORT series is made with 100% silicone gel and manufactured using patent-pending processes creating an air-tight, leak proof form

ITEM NO. 1890

COMFORT-LITE

A totally unique three-layered breast prosthesis that combines silicone gel, polyurethane beads and a hypoallergenic fabric backing that combines all of the desired features into one breast form: light weight, superior breathe-ability, durability and comfort.

COMFORT-LITE forms provide maximum individualized contouring and shaping flexibility after mastectomies, lumpectomies and breast reconstruction. Also helps

to minimize the affect of hypoplasia irregularities, uneven or underdeveloped breasts. Especially suited for wear during physical activity. Approximately 40-45% lighter than our deluxe series.

Available in sizes 1-15. Ivory.

COMFORT SERIES (cont'd)

ITEM NO. 1895

Comfort-Tex Deluxe Triangle. Unique two layer construction with soft fabric backing. Shaped and weighted for a balanced fit in the bra, with molded nipple. Can be worn on the left or right side.

Available in sizes 1-17. Ivory.

ITEM NO. 1875

A revolutionary new design that combines the flexibility of fabric backing, self-attaching adhesive and lightweight silicone gel. Comfort-Flex provides a safe, hypo-allergenic softer touch fabric backing that can be

placed against the chest wall for increased air flow and moisture resistance. For the ultimate in multiple use breast forms, simply remove the fabric backing and attach the Comfort-Flex form in a properly fitted bra. Ideal for use with high-fashion clothing and convenient to be worn anywhere.

Available in sizes 1-10. Ivory.

Note: Not recommended for use without a properly fitted bra.
